

HB 515 -- POLICE RETIREMENT SYSTEM OF ST. LOUIS

SPONSOR: Leara

This bill changes the laws regarding the disability determination process of the Police Retirement System of St. Louis. The bill eliminates the board of police commissioners and transfers its responsibilities to the chief of police. The definition of "medical board" is changed from the board of three physicians of different disciplines appointed by the trustees of the police retirement board and responsible for arranging and passing on all required medical examinations and investigations regarding an application for disability retirement to the health care organization appointed by the trustees with those responsibilities.
